

VACANCY

PROJECT COORDINATOR

WHO ARE WE?

SAVE Rivers is a Civil Society Organisation (CSO) which supports and empowers rural communities to protect their land, rivers and watersheds through capacity building, networking, research, education and advocacy. We have promoted environmental and indigenous rights awareness and sustainable development solution since 2011.

GOOD COMMUNICATION SKILL

THIS POST GIVES AN OPPORTUNITY FOR THE SELECTED CANDIDATE TO:

Facilitate community engagement and forest protection projects in the Baram area, where our team is working in collaboration with the communities, local and international organisations (government and non-government institutions) to implement the Upper Baram Forest Area (Baram Peace Park) which is a forest protection and regenerative livelihood initiative.

Based at SAVE Rivers' office in Miri, the selected candidate must have passion for environmental justice, possess high professional standards and be ready to travel as, when and where is required by the job. Remuneration while on three months probation is RM1600. Once employed, wage will be based on competencies and performances.
